ANTAM AND MIND ID EMERGENCY RESPONSE TEAM HANDLES FLOOD IMPACT IN LEBAK

Jakarta, January 9, 2020 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM) and Mining Industry Indonesia (MIND ID) synergize with Dandim 0603 Lebak, Banten to handle flood impacts in Lebak Regency, Banten Province. The Companies distributes logistical assistance to Julang Village and conducts medical examinations in Cipanas District for refugees in synergy with the Lebak Health Center.

ANTAM's President Director, Dana Amin said:

"The synergy of ANTAM, MIND ID and Dandim 0603 Lebak is the Company's commitment in emergency response activities. The Company has an emergency response team that is experienced in handling the impact of disasters in Indonesia. ANTAM and MIND ID sent 20 personnel from all ANTAM Business Units. The Company also coordinates with the Lebak Regional Disaster Management Agency in the distribution of logistical support in the form of basic supplies such as generators, sanitary kits and food ingredients."

In addition to the distribution of logistical assistance in isolated areas, the Company also carries out medical services in synergy with the Lebak Health Center. The Company facilitated medical examinations and provided medicines to 45 residents. Medical service activities will still be carried out as needed.

In addition, the Company seeks to assess remote areas. The synergy between ANTAM, MIND ID and the Indonesian Armed Forces, distribution of logistical support in Jaha village, Banjarsari Village and Julang Mountain can be carried out according to the target.

At the same time, the Company is also conducting disaster management in the Nanggung and Sukajaya Districts. ANTAM and MIND ID are working to improve road access that was cut off due to landslides and carry out medical services for refugees.
