### **ANTAM'S INNOVATION ON DESIGN AND PACKAGING OF GOLD MINTED BAR PRODUCT**

**Jakarta, July 31, 2018** - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM) through the Precious Metal Processing and Refinery Business Unit (UBPP LM) is pleased to launch the new design and packaging of ANTAM-Logam Mulia (ANTAM-LM) gold minted bar product. The launching ceremony was held on July 30, 2018 at Indonesia Kempinski Hotel, Jakarta by ANTAM's President Director Arie Prabowo Ariotedjo. The launching ceremony of new design and packaging of ANTAM-LM gold also in conjunction with the commemoration of ANTAM's 50<sup>th</sup> anniversary.

**ANTAM's President Director, Arie Prabowo Ariotedjo said:**

**"The launching of a new design and packaging of ANTAM-LM gold minted bar product is a part of Company's strategy to enhance the added value of our gold products especially to provide an extra protection for our customers in gold investment and to assure the authenticity of our gold product with 99.99% purity . The UBPP LM is the only gold processing and refinery plant in Indonesia which accredited as Responsible Gold from London Bullion Market Association (LBMA) which ensure Company's gold sources are free from money laundering practice, human rights violation as well as free from conflict sources."**

The launching of the new design and packaging of ANTAM-LM gold minted bar product marked a significant milestone for UBPP LM gold printing activities which was started since the establishment of gold refinery plant in 1930. Since 1930, the design of gold minted bar product has been changed for several times in 1968, 1974, 1980, 1989, 1994 and 2000. The latest modification conducted in 2011 when the portrait shaped with the latent image was introduced on ANTAM-LM gold minted bar product. In 2013, the blistering packaging was adopted for the gold minted bar product of 50 & 100 grams.

The new design of ANTAM-LM gold minted bar product are available for product domination of 0.5, 1, 2, 3, 5, 10, 25, 50 and 100 grams. The recent design has special features such as wider shaped dimension and packed with CertiCard® technology which provides the layered security features to enhance the security sense in gold investment.

The ANTAM-LM gold minted bar product with new design & packaging are available at ANTAM-LM Gold Boutiques network and UBPP LM partners from July, 31, 2018. The ANTAM-LM Gold Boutique receives the buyback transaction of ANTAM-LM gold for both the old and new product throughout the ANTAM-LM Gold Boutique network under the applicable terms and conditions.
