ANTAM Presents the First Three-Dimensional Chinese New Year Gold Bar in Indonesia

Jakarta, January 5, 2023 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM), member of Mining Industry Indonesia (MIND ID) – the State-Owned Enterprise Holding of the Mining Industry, is announcing that the Company through the Precious Metals Processing and Refinery Business Unit introduced the Chinese New Year 2023 AD/2574 Kongzili thematic gold bars with the first three-dimensional (3D) design in Indonesia. Chinese zodiac Rabbit with the water element is an essential identity for the 2023 Chinese New Year celebrations on January 22, 2023.

ANTAM's Chinese New Year Rabbit gold bar will become a pioneer of three-dimensional gold products in Indonesia. Different with the previous design which had a flat (two-dimensional) surface, ANTAM's 2023 Chinese New Year gold has a contour relief surface in the shape of a rabbit element. Gold, the interpretation of a symbol of prosperity, warmth, happiness, prosperity, and wealth will further enliven the Chinese New Year atmosphere for the Indonesian people who celebrate it.

ANTAM's Operations and Production Director, I Dewa Wirantaya, said:

"ANTAM is committed to producing high quality and innovative Precious Metals products. As a market leader, the Company strives to provide product differentiation to meet customer expectations. As a collectible item, Water Rabbit Chinese New Year gold will be a timeless and valuable product in the long term."

Three-dimensional Chinese New Year 2023 thematic gold bar products made using modern technology. Chinese New Year 2023 gold bars are also equipped with safety and aesthetic features which are product advantages, including microtext, QR code, and rainbow effects on the product surface.

Microtext is a tiny unique code on a gold surface produced with high accuracy, making it difficult to counterfeit. The rainbow effect will give a special colour effect to the gold bar surface, while the QR code feature will help the customers to get information about other Precious Metals products.

The Chinese New Year 2023 thematic gold series will be produced in 2 categories, gold bars weighing 8 grams and Gold Gift Series weighing 0.5 and 1 gram. ANTAM's Chinese New Year gold bar is produced in limited quantities of 2,000 each for 8 gram Chinese New Year gold bars, 0.5 gram Gift Series, and 1 gram Gift Series. In line with a limited production, as a collectible item, this three-dimensional Water-Rabbit zodiac gold is believed to be even more valuable in the future.
