INDONESIAN BATIK
THROUGH CREATION
OF GOLD BARS WITH
BATIK MOTIFS**

For Immediate Release

Jakarta, December 16, 2015 - PT ANTAM (Persero) Tbk (IDX: ANTM; ASX: ATM; ANTAM) through its Precious Metals Processing and Refinery Business Unit is pleased to announce the launch of exclusive gold bars with Indonesian batik motifs. The exclusive product is launched today on Wednesday, December 16, 2015 in Taman Mini Indonesia Indah, Jakarta. The exclusive product is specially designed and is inspired by the beauty of Indonesian batik pattern. The product is available in four Indonesian batik motifs: *Parang Barong, Sidomukti, Mega Mendung* and *Kawung Picis*.

ANTAM's Operations Director, Agus Zamzam Jamaluddin said:
"ANTAM, through its Precious Metals Processing and Refinery Business Unit presents its latest innovation which combines our precious metals product and the Indonesian cultural heritage. The exclusive product with batik motif signifies our appreciation to the Indonesian culture. We aim to increase the aesthetic value of Logam Mulia's gold bar for our investors and gold buyers through the introduction of the product."

The special design will add a unique and beautiful impression by having traditional touch on ANTAM's gold bar. ANTAM combines Indonesian culture with its pure gold products, resulting in preservation of Indonesian cultural values as part of the gold bar.

The exclusive products can also be treated as collection treasures as the uniqueness of batik pattern on gold bars will draw both batik and gold bars enthusiasts. The products are available in 10 and 20 grams and can be purchased in ANTAM's Gold Boutiques throughout Indonesia.
