ANTAM Receives Good Mining Practices Award 2022

Jakarta, September 30, 2022 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM) member of Mining Industry Indonesia (MIND ID) - the State-Owned Enterprise Holding of the Mining Industry Indonesia is pleased to announce that the Company received Good Mining Practices Award initiated by the Ministry of Energy and Mineral Resources of the Republik of Indonesia. The award was held in commemoration of the 77th Mining and Energy Anniversary on Thursday, September 29, 2022.

The award given by the Mineral Business Director of the Directorate General of Mineral and Coal, Dr. Ir. Ediar Usman, M.T., is an appreciation for ANTAM's consistent participation in applying good mining principles so that mining activities are carried out well, optimally, and efficiently by prioritizing safety and being environmentally friendly.

ANTAM's Director of Operations and Production, I Dewa Wirantaya said:

"The award received by the Company is an appreciation from the Government, and also a reflection of ANTAM's commitment to Good Corporate Governance and Good Mining Practices implementation on the Company's operational activities. ANTAM continues to be committed to implementing good, optimal, and efficient mining techniques, prioritizing safety and being environmentally friendly, and also being able to provide a sustainable benefit for the community."

This year, ANTAM received eleven awards in various categories through its Business Units and Subsidiaries. Through the Gold Mining Business Unit, ANTAM received one of the highest "Aditama" ratings for the Mineral and Coal Mining Environmental Management category and two "Utama" ratings for the Mineral and Coal Mining Technical Management category, and Mineral and Coal Conservation Management.

Meanwhile, the West Kalimantan Bauxite Mining Business Unit also received one of the highest "Aditama" ratings for the Mineral and Coal Mining Technical Management category, and two "Pratama" ratings for the Mineral and Coal Mining Safety Management category, and Mineral and Coal Mining Environmental Management.

The Kolaka Nickel Mining Business Unit received two awards, "Utama" ratings in the Mineral and Coal Mining Technical Management category, and "Pratama" ratings in the Mineral and Coal Mining Environmental Management category.

In addition, the North Maluku Nickel Mining Business Unit received "Pratama" ratings for the Mineral and Coal Mining Environmental Management category. Two of ANTAM's Subsidiaries, PT Gag Nikel and PT Cibaliung Sumberdaya also received the Pratama award for the Mineral and Coal Mining Environmental Management category.
