ANTAM RECEIVES PLATINUM RANK AT TKMPN XXIV & IQPC 2020

Jakarta, November 30, 2020 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM) is proud to announce that the Company has received Platinum Rank for the QCC Smart Plan and QCI Riyuvi at The XXIV National Quality & Productivity Competition (TKMPN) and The International Quality & Productivity Convention (IQPC) 2020. The award was submitted by Wahana Kendali Mutu virtually on November 18, 2020.

ANTAM's Human Resources Director, Luki Setiawan Suardi said:

"The achievements of the Smart Plan Quality Control Team (GKM) from the Geomin & Technology Development Unit and the Riyuvi Advice System (SS) team from the Precious Metals Processing and Refinery Business Unit, are proof that ANTAM's employees have excellent competencies and are able to create innovations for the Company. ANTAM as part of Mining Industry Indonesia (MIND ID) is always committed to building the Company's human resources and opening the widest possible opportunities for ANTAM's employees to improve their skills and competencies."

GKM Smart Plan through the innovation of Strategic Mineplan Analysis for Estimating Nickel Deposit Reserves receives the Platinum predicate in the QCC category. Meanwhile, SS Riyuvi through the innovation of Increasing Gold Sales Conversion through the Website by Optimizing Big Data Analytics receives the Platinum predicate for the QCI category.

The Annual XXIV TKMPN and IQPC are national scale annual events held by the Indonesian Quality & Productivity Management Association in collaboration with PT Wahana Kendali Mutu and supported by the Ministry of Manpower, the Asia Pacific Quality Organization, and The Asian Productivity Organization.

TKMPN is an event of the skills and success stories of national private companies and State-Owned Enterprises, government agencies, cooperatives, universities and non-profit organizations in managing the quality and productivity of companies, both individually and in groups with various management system approaches.
