ANTAM RECEIVES THE 2013 ECONOMIC CHALLENGES AWARD

For Immediate Release

Jakarta, November 26, 2013 - PT ANTAM (Persero) Tbk (ASX - ATM; IDX - ANTM; ANTAM) is pleased to announce that the company has received the 2013 Economic Challenges Award of Natural Resources-based Industry. The award was received by ANTAM's President Director, Tato Miraza at the Grand Studio Metro TV, Jakarta.

ANTAM's President Director, Tato Miraza, said,
"Despite several challenges related to exchange rate volatility, oil price fluctuation as well as lower nickel and gold prices, we are confident to overcome these challenges with the support of the company's management team and stakeholders. As well, we are committed to remain focused on our sustainability practices, alongside financial profitability, regardless of these challenges."

The criteria used in the judging process were: Indonesian company, the ability to grow amidst global economy crisis, Good Corporate Governance implementation, and contribution to economic development.

The judging panel includes the Director General of Tax, Fuad Rahmany; President Director of the Indonesia Stock Exchange, Ito Warsito; Special Staff to the President in Economic Development, Firmanzah; academician Rhenald Kasali; and News Director of Metro TV, Suryoprato.
