ANTAM RECEIVES TWO GOLD AWARDS AT THE 2012 INTERNATIONAL CONVENTION ON QUALITY CONTROL CIRCLES

For Immediate Release

Jakarta, October 17, 2012 - PT ANTAM (Persero) Tbk (ASX - ATM; IDX - ANTM; Antam) is pleased to announce that the Company won two gold awards in the International Convention on Quality Control Circles (ICQCC) 2012 held from October 14-17, 2012, in Kuala Lumpur, Malaysia.

Antam's teams, which comprised of the QCC PROTECTOR team from the Southeast Sulawesi Nickel Mining Unit and the QCC GOLD ROOM team from the Gold Mining Business Unit received gold awards in the category of Improvement Case Studies. Both teams presented their research papers on operational improvements at their respective business units.

To be able to participate in the 2012 ICQCC, Antam's teams went through multi layer selection process, both on the company-wide as well as national levels. Since 2006, Antam has consistently won gold awards at the ICQCC event.

ICQCC is an international quality convention organization founded in 1975, which organizes the Quality Control Circle competition for member countries. Indonesia sent 17 teams to compete at the 2012 ICQCC.

The ICQCC Awards reflect Antam's commitment to continually improve the quality of its operation activities and products.
