Press Release

For Immediate Distribution

ANTAM'S GOLD IS AVAILABLE FOR PURCHASE AT POST OFFICE

Malang, 6 February 2017 - PT ANTAM (Persero) Tbk (IDX: ANTM; ASX: ATM; ANTAM) and PT Pos Indonesia (Persero) (Pos Indonesia) have agreed to enter strategic partnership to provide easier access for the public to purchase ANTAM's gold at post offices throughout Indonesia. The start of the sales at the post office is marked by a grand launching event at Malang post office, East Java, held today. The Mayor of Malang Haji Mochamad Anton, Deputy of Energy, Logistics and Transportation of the Minister of SOE Edwin Hidayat Abdullah, Pos Indonesia's President Director Gilarsi W. Setijono and ANTAM's President Director Tedy Badrujaman attend the event.

Pos Indonesia's President Director Gilarsi W. Setijono says the wide network of Pos Indonesia will provide easier access for the public to purchase ANTAM's gold. ANTAM's gold is available for purchase at the Checking Post Office, Inner Town Post Office and Out of Town Post Office.

Gilarsi W. Setijono further says customers can purchase ANTAM's gold products using an order system at the nearest post office and conducting payment through application/system. Following customer's order, ANTAM's Precious Metal Processing and Refinery Business Unit (UBPP LM), located in Jakarta, will deliver the LM gold. The gold will be picked up by the East Jakarta Post Office using special courier service and further processed using i-Pos system and will be categorized as valuable goods.

Gilarsi W. Setijono adds that the partnership is based on the spirit of SOE synergy, increasing revenue through new business service with walk-in customer as target audience, creating positive image of the capability of Pos Indonesia in handling valuable goods, strengthening corporate competitiveness with competitors as well as educating the public in the gold investment or gold saving for the future.

Gilarsi W. Setijono also guarantees the program is supported by reliable information technology in the purchase/order system as well as in the delivery of the valuable goods. The transaction information will be

recorded accurately, quickly, and will provide easier reconciliation process, settlement and reporting for oversight and evaluation, both for the company and for the partner.

ANTAM's President Director Tedy Badrujaman believes the partnership will support ANTAM's gold business. The partnership of gold sales through post offices is ANTAM's effort in strengthening the marketing reach to customers. ANTAM believes extending the sales distribution channel will increase the company's competitiveness, notably in the gold business.

The partnership between ANTAM and Pos Indonesia covers the sales, payment, and distribution partner of ANTAM's precious metal products at Post Offices. The customers can purchase LM gold at the post office using an order system. Following customer's order, ANTAM will use the service of Pos Indonesia to deliver the LM gold from the UBPP LM office in Jakarta to the post office serving as point of sale.

109 post offices located in Java, Madura, Bali, West Nusa Tenggara and East Nusa Tenggara will be the first stage under the agreement between ANTAM and Pos Indonesia. Customers can order LM gold starting from 0.5 grams until 50 grams at these 109 post offices beginning 6 February 2017.

###
