

PRESS RELEASE

PT ANTAM Tbk

For Immediate Release

FRAMING PRECIOUS METALS WITH BEZELS SERIES II

Jakarta, November 28, 2019 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM) through the Precious Metals Processing and Refining Business Unit is proud to launch Bezel Gold series II on November 26, 2019 in Jakarta. On the event, ANTAM presents four Bezel motifs and two variants of gold to provides an added value of ANTAM's gold product for customers as valuable collectible items as well as investment instrument.

The new variant Bezel of Ayesha Bezel, Hana Bezel, Cassandra Bezel and Astrolabiya Bezel will frame the Indonesian Batik Gold series II namely Purbonegoro motifs, Wahyu Tumurun, Trumtum and Sekar Jagad which were released in April 2018 as a gold pendant.

The 6 gram Bezel variant is made for the 10 gram Indonesian Batik Gold series II variant, while the 9 gram Bezel variant is made for 20 gram Indonesian Batik Gold series II variant. Precious Metals Bezel is made with 75% gold content and each product has a single identification number and certify with Logam Mulia certificate.

ANTAM's Director of Commerce, Aprilandi H. Setia said:

"Precious Metals Bezel series II is a reflection of the Company's innovation to provide the gold product added value to Our customers. This product will also complement the Precious Metal jewelry product portfolio that is in high demand by the public. ANTAM hopes the launch of the Bezel series II will repeat the success of the first series Precious Metals Bezel ."

Precious Metals Bezel series II has different characteristics and advantages compared to its predecessor. A more design are more detailed an enhance the cultural value for the customer. The unique Gold Bezel combined with the Indonesian Batik gold series as a cultural collaboration that creates a valuable work of art for the collectors.

The presence of Bezel Series II and Indonesian Batik Gold Series II is part of the Company's efforts to improve the literacy of Indonesian culture. ANTAM is optimistic that the first and only batik gold product in Indonesia will be increasingly known both domestically and internationally.

As jewelery, Bezel series II is offered by ANTAM at competitive prices. The company will provide Bezel Series II in the entire Logam Mulia Gold Boutique (BELM) network such as in Jakarta (4 boutiques), Bandung, Surabaya (2 boutiques), Makassar, Palembang, Semarang, Balikpapan, Banjarmasin, Medan, Bali and Yogyakarta as well as at events public on various occasions. UBPP LM is the only gold refining plant in Indonesia that has a Good Delivery List Refiner accreditation at the London Bullion Market Association (LBMA).
