Special Ramadan and Eid Al-Fitr 2025, ANTAM Presents 'Damascus Mosque' Gold

Jakarta, March 3, 2025 – Welcoming the holy month of Ramadan and the celebration of Eid Al-Fitr 1446 Hijri, PT Aneka Tambang Tbk (ANTM) or ANTAM presents thematic gold bar products with Islamic themes. This year, ANTAM chose the visual design of the Damascus Mosque as the main motif on a 5 gram gold bar.

This product is part of the *Gempita Hari Raya* series, which is specifically designed to enrich investment options and special gifts for customers. This thematic gold product has been officially launched in all ANTAM Precious Metals Gold Boutique since Friday (28/2/2025).

According to ANTAM Operations and Production Director Hartono, the launch of this product manifests the Company's commitment to continuous innovation and strengthening its position as a leading brand in the precious metal industry.

“This thematic gold product offers a clear investment value, but also a symbol of happiness and togetherness at special moments such as Ramadan and Eid Al-Fitr. We hope this product can be a special gift option for families and colleagues,” said Hartono.

The *Gempita Hari Raya* series comes in two main categories. First, there are 5 gram gold bars with the Damascus Mosque design, which symbolizes the glory and eternity of Islamic civilization. Second is the Gift Series, available in 0.5 gram and 1 gram weight options. The Gift Series design carries the theme of solemnity and togetherness, illustrating the spirit of mutual support and strengthening relationships between families.

“We want this product to not only have investment value but also have a deep meaning for customers, especially in welcoming special moments such as Eid Al-Fitr,” Hartono added.

Each thematic gold product has 999.9 fine gold grade and various advanced security features. ANTAM embeds a Micro Logo that is difficult to forge, a QR Code to facilitate information verification, a Rainbow Effect that displays special colours when exposed to light, and a 3D Effect on the gold surface with dimensions of 27.5 x 16.5 mm and a thickness of about 0.66 mm. In addition, the Gift Series is equipped with an invisible ink feature to enhance product security.
