## PT ANTAM Tbk

For immediate release

### **ANTAM Supports KPK Completes Legal Process for Processing Metal Anodes**

**Jakarta, January 18, 2023** - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM), member of Mining Industry Indonesia (MIND ID) – the State-Owned Enterprise of the Holding of the Mining Industry, announced that related to the news circulating in the media regarding the determination of suspects for corruption in the processing of Metal Anodes by the Corruption Eradication Commission (KPK) which involved ANTAM's management, We can convey that currently these persons are not registered as employees of the Company with the status of Termination of Employment since 2019.

The Company takes firm steps against any actions that are against the law and are detrimental to the Company, including reporting allegations of corruption in the processing of metal anodes to the KPK for further legal proceedings. ANTAM respects the ongoing legal process and is committed to cooperating with related parties if there are things that are needed.

The Company always upholds integrity and is committed to creating business practices in accordance with Good Corporate Governance (GCG) by complying with the regulations that apply to each Company's business lines. We also ensure that this matter will be of particular concern to the Company.

As a public company and part of the State-Owned Enterprise holding, We are bound by various provisions and are regularly monitored by Institutions Authorized Government Agencies. We ensure that the Company's precious metal operations run as usual by consistently providing the best service for customers.
