### ANTAM HELD CHARITY WEEK FOR MIND ID'S 3RD ANNIVERSARY

**Jakarta, November 30 , 2020** - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM) held a Charity Week for the 3rd Anniversary of the Mining Industry Indonesia (MIND ID). In a series of INCREDIBLE 3rd Anniversary, ANTAM distributed supporting facilities for the new normal adaptation in 7 business units in 5 operational areas which were held this November.

**ANTAM's Human Resources Director, Luki Setiawan Suardi said:**

**"The implementation of this Charity Week is a form of ANTAM's commitment as part of the Mining Industry Indonesia (MIND ID) to help communities around the operating area in relation to adapting new normal. Assistance in the form of masks, Personal Protective Equipment (PPE), Rapid Test Kit, hand sanitizers and online learning assistance programs are provided for people in need."**

ANTAM provided assistance of 9,700 masks in the Head Office area, Gold Mining Business Unit, North Maluku Nickel Mining Business Unit and Southeast Sulawesi Nickel Mining Business Unit. A total of 2,000 rapid test kits, 100 sets of PPE and 200 overalls were also distributed in the Southeast Sulawesi Nickel Mining Business Unit. ANTAM also distributed a total of 500 liters of disinfectant/hand sanitizer in the North Maluku Nickel Mining Business Unit and Precious Metals Processing and Refinery Business Unit.

As for the assistance of facilities and infrastructure to support the adaptation of new normal, ANTAM distributed in several public areas, such as: hand washing facilities in Precious Metals Processing and Refinery Business Unit and Gold Mining Business Unit, Clean Water Facilities in the Bogor area by the Geomin & Technology Development Unit team, as well as staple food assistance at Southeast Sulawesi Nickel Mining Business Unit.

In order to support online learning, ANTAM through West Kalimantan Bauxite Mining Business Unit also provides online learning facilities in the form of internet network devices, signal amplifiers and solar panels in 8 locations in Sanggau Regency.

The various efforts are an implementation of the corporate social responsibility program contained in the CSR Masterplan, especially in relation to the realization of Superior Synergy. ANTAM believes that the Company's participation in overcoming various challenges faced by the community in the operating environment, both in terms of education and health, is an important investment in the context of developing quality human resources, while reflecting the achievement of the Sustainability Development Goals launched by the Government.
