ANTAM INAUGURATES SOCIAL FACILITIES IN CIKOTOK POST-MINING AREA

For Immediate Release

Jakarta, December 17, 2012 - PT ANTAM (Persero) Tbk (Antam; ASX - ATM; IDX - ANTM) is pleased to announce that it has inaugurated several social facilities in Antam's post-mining area in Cikotok, Banten, together with the Government of Lebak Regency. The social facilities are integrated stadium, market complex, bus terminal and community gathering space with total cost of the construction amounting to Rp12 billion. The ceremony was attended by Antam's Director of General Affairs & CSR, Denny Maulasa, and Regent of Lebak, Mulyadi Jayabaya, on December 16, 2012.

Antam's Director of General Affairs & CSR stated:

"The development of this integrated stadium, market complex, and bus terminal, is one of our efforts to create a sustainably beneficial post-mining area in terms of social, economics, ecological, and aesthetics for surrounding communities. It is part of the implementation of good mining practices that had been run by Antam."

As a part of the implementation of Antam's Corporate Social Responsibility, these social facilities are expected to boost local economic growth and support the mobility transportation in increasing trade activities among centers of development. Consequently, it is expected to improve the community's social and economic well-being in order to promote welfare and independency in a sustainable manner.

Although the gold mining activities have been ceased in late 2009, Antam still conducts various post mining activities which include reclamation, revegetation, and community economic development.
