**ANTAM LAUNCHES
INITIATIVE TO PLANT
10,000 TREES AT
JAKARTA'S EAST CANAL
FLOOD CONTROL**

For Immediate Release

Jakarta, December 28, 2011 - PT ANTAM (Persero) Tbk (Antam; ASX - ATM; IDX - ANTM)) today launches an initiative to plant 10,000 trees on top of unproductive land and river banks at the North Jakarta East Canal Flood Control (ECFC).

From left: Rector of the University of Trisakti, Antam's General Affairs and CSR Director, CECT Director during the tree planting ceremony at the East Canal Flood Control, North Jakarta.

Antam's General Affairs and CSR Director, Denny Maulasa, the Rector of the University of Trisakti, Thoby Mutis, the Director of Center for Entrepreneurship, Change and the Third Sector (CECT) of the Trisakti University, Maria Radyati, the Director of ECFC, Pujiono and community members living around ECFC were present during the ceremony.

Antam's CSR & GA Director, Denny Maulasa said,

"This program shows Antam's commitment to participate actively in nature conservation efforts. The program also supports the empowerment of the communities as well as the government's one billion tree program."

News Release

Antam will plant various type of trees, such as industrial crops, cover crops, and fruits. The initiative is part of Antam's cooperation with Tri-sakti University's CECT, the university's arm of community empowerment and development institution.

The initiative reflects Antam's efforts in nature conservation. The exercise is a regular, annual event which is held throughout Antam's operations area.
