ANTAM LAUNCHES PURE GOLD RING COLLECTION

For Immediate Release

Surabaya, October 30th, 2009 - PT Antam Tbk (ASX - ATM; IDX - ANTM) is pleased to announce the launch of pure gold ring collection to its gold products portfolio. The pure gold ring collection are made with gold of 999.9 purity. Antam launches the collection during the Surabaya International Jewellery Fair which will be held in Surabaya, Indonesia, from October 30 until November 2, 2009.

Antam launches 24 designs from 250 available designs. The theme of the launch is "Investment and Style".

Antam hopes the collection will further improve the attractiveness of gold as an investment option.

Antam's Logam Mulia Business Unit produces and trades 99.99% fine gold. Logam Mulia's gold products are internationally accredited by the London Bullion Market Association (LBMA). The accreditation certifies Logam Mulia's gold bars to be traded at the international markets.
