## PT ANTAM Tbk

For immediate release

### **ANTAM PRESENT THE EV BATTERY DEVELOPMENT PLAN AND “BRANKAS” EDUCATION AT SOE INTERNATIONAL CONFERENCE**

**Jakarta, October 21, 2022** - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM), member of Mining Industry Indonesia (MIND ID) – the State-Owned Enterprise Holding of the Mining Industry, together with MIND ID group members participated in the SOE International Conference held by the Ministry of SOE’s on October 17-18, 2022 in Bali. In the side event of Presidential G20 with the theme Driving Sustainable and Inclusive Growth, ANTAM presented its latest performance, also the Environment, Social and Governance (ESG) management. In particular, ANTAM presented the Company's business development including the EV Battery Development plan on the Corporate Day session and conducted education on “BRANKAS” (Planning-Safely-Manage-Gold) in the Expo zone to conference participants.

**ANTAM's President Director, Nico Kanter said:**

**“The SOE International Conference held by the Ministry of SOE’s is an effort to educate and explain the positive efforts of state-owned companies to support the Government in realizing the energy transition and sustainable growth. ANTAM as part of MIND ID supports the program through the development of the EV Battery value chain with Indonesia Battery Corporation. We are also committed to implementing new and renewable energy commitments in several operational elements, as well as decarbonization.”**

At the Corporate Day session which was held on October 18, 2022, ANTAM presented the Company's latest financial and operating performance as well as the Company's targets and business plans for the future. ANTAM also conveyed ESG management, one of which was through the implementation of Greenhouse Gas (GHG) emission reduction and decarbonization programs. On the business development side, ANTAM conveyed the Company's involvement in the EV Battery value chain, both directly and indirectly, upstream and downstream. ANTAM's participation in the EV Battery value chain is part of the Company's efforts to support SOE's Net Zero Emission commitment by 2060.

At the Expo zone, ANTAM also provides education about precious metal investment through the “BRANKAS Logam Mulia” program to visitors. In this session, the Company explained the procedure for opening a “BRANKAS Logam Mulia” account and its management.

As a company that is committed to implementing good mining practices, ANTAM always strives to carry out operations in accordance with applicable regulations. ANTAM also continues to innovate products and efficiency in order to maximize the added value of all the Company's commodities to provide positive returns to shareholders and stakeholders.
