ANTAM Receives Indonesia Living Legend Awards 2024

Jakarta, February 5, 2024 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM), a member of PT Mineral Industri Indonesia (Persero) (MIND ID) - the State-Owned Enterprise Holding of Mining Industry, announced that the Company receives the Indonesia Living Legend Awards 2024 in Gold category as Gold Living Legend Company in Strengthening Profitability Through Enhancing Production and Sales Performance. The award was received by ANTAM's Director of Operations and Production on January 31, 2024.

ANTAM Director of Operations and Production, Hartono said:

"As a mineral resources based company with main commodity of nickel, gold, and bauxite, ANTAM always conducts operations in accordance with good mining practices and prioritizes operation excellence. Going forward, ANTAM will continue to strive to improve operating and financial performance through innovation, strengthening resources, and also completing strategic projects to continue to provide the best contribution to all stakeholders of the Company. ANTAM is grateful for the appreciation that has been given. This will motivate the Company to continue to provide the best performance."

In conducting business, ANTAM always adapts to the development of global conditions to continue to compete and become a leading global company. In 2024, to strengthen the Company's business, ANTAM will always strive to improve the production and sales performance of all the Company's main commodities to achieve optimal performance for all shareholders, stakeholders, and society. ANTAM will focus on developing the domestic market, especially in gold, nickel ore, and bauxite ore products. ANTAM is also committed to continuing to develop strategic projects as support to mineral downstream and continues to focus on implementing sustainable business.

The Indonesia Living Legend Awards 2024 is organized by WartaEkonomi.id, where the award are given to companies in Indonesia that are able to demonstrate good performance, good reputation, innovation and become living legends of companies in Indonesia. The assessment is carried out by the Warta Ekonomi research team by prioritizing companies that are at least 25 years old, born after the monetary crisis in the reform era in 1998 and successfully passing the Covid-19 pandemic in 2020.
