Press Release

ANTAM RECEIVES SOCIAL BUSINESS INNOVATION AWARD

For Immediate Release

Jakarta, 28 August 2015 - PT ANTAM (Persero) Tbk (ANTAM; ASX – ATM; IDX – ANTM) is pleased to announce that the company has received the Social Business Innovation Award 2015. The event was held by Warta Ekonomi Magazine at the Le Meridien Hotel Jakarta on August 25, 2015. During the event, ANTAM received two acknowledgements in the Top Ten Social Business Innovation and Best Social Business Innovation in the Mining, Oil and Gas Industry. The awards were presented to ANTAM's General Affairs & CSR Director I Made Surata by Chairman of the Commission XI of the People Legislative Assembly of Indonesia Fadel Muhammad, who were accompanied by Director General of Environmental Contamination and Damage Control of the Ministry of Environment and Forestry M. R. Karliansyah and Business Manager of Warta Ekonomi Magazine M. Ihsan.

ANTAM's Director of General Affairs & CSR I Made Surata said:
"The awards reflects public appreciation and trust in ANTAM for its efforts in implementing good mining practices which includes community development and environmental management activities, both in the surrounding and outside of the company's operation area. ANTAM is committed in maintaining a balanced economic, social and enviromental activities to ensure a sustainable business."

The assessment of the Social Business Innovation Award 2015 was conducted through research of social business innovation entities using Go Green and Community Development evaluation. Warta Ekonomi Intelligence Unit conducted the research process.

The Social Business Innovation Award 2015 was organised by Warta Ekonomi Magazine in recognition of entities and individuals that created green environment, proper education, social balance, small enterprise partnership and sustainable business.
