For Immediate Release

Jakarta, August 29, 2016 - PT ANTAM (Persero) Tbk (ANTAM; ASX – ATM; IDX – ANTM) is pleased to announce that the company has received the Social Business Innovation Company 2016 in the Metal and Mineral Mining category in Biodiversity Program. As well, ANTAM's President Director Tedy Badrujaman received the Best Green CEO 2016 award. The event was held by Warta Ekonomi Magazine at Pullman Hotel, Jakarta on August 25, 2016. The awards were presented to ANTAM's President Director Tedy Badrujaman by the Founder of Warta Ekonomi Fadel Muhammad.

ANTAM's President Director Tedy Badrujaman said,
"ANTAM is committed in the implementation of good mining practices in each of its operational stage, from exploration, mining, processing and environmental management. ANTAM is aware that its operations have direct impact on the surrounding environment. Our awareness is reflected in the implementation of biodiversity conservation programs. The awards signal public trust in the Company in line with our environmental management commitment."

The assessment of the Social Business Innovation Award 2016 and Green CEO 2016 was conducted by Warta Ekonomi Intelligence Unit through research of social business innovation to entities that comply with government regulations on environmental management and the implementation of CSR programs. The assessment also evaluates CEOs with high concern for environmental and social sustainability.

The Social Business Innovation Award 2016 was organised by Warta Ekonomi Magazine in recognition of entities and individuals in support of corporate social programs which create green environment, proper education, social balance, small enterprises partnership and sustainable business.
