## PT ANTAM Tbk

For immediate release

### **ANTAM Receives The Runner-Up on Best Practice in Minerals Processing Category at The 1st ASEAN Mineral Awards in Myanmar**

**Jakarta, December 18, 2017** - PT ANTAM Tbk (ASX ATM; IDX – ANTM; ANTAM) is pleased to announce the Company has received international recognition as runner-up in the Best Practice in Minerals Processing category at The 1st ASEAN Mineral Awards which was held in Nay Pyi Taw, Myanmar.

ANTAM's Operations Director Hari Widjajanto said:

**"The award reflects our commitment in realizing the 2030 Company Vision to become a leading global corporation through diversification and integrated natural based business. ANTAM has a strong commitment in the implementation of good mining practices principles throughout our operational activities. The implementation of good mining practices reflects conformity with various regulations related to mining activities, environmental management and contribution to the state. ANTAM is confident sustainability between mining activities and the surrounding environment can be achieved in compliance with the laws and regulations."**

ANTAM ranks second place in the Best Practice in Minerals Processing category for the best practice in ferronickel processing in Indonesia. The achievement will enhance ANTAM's performance as well as encouraging the national mining industry to achieve higher good mining practice standard.

The 1st ASEAN Mineral Awards recognizes eight mining companies in the mining, processing and distribution of mineral products in the ASEAN region for the achievements in support of environmentally and socially friendly mineral sector.
