ANTAM RECEIVES TWO AWARDS IN INDONESIA SUSTAINABILITY REPORTING AWARD 2011

For Immediate Release

Jakarta, December 23, 2011 – PT ANTAM (Persero) Tbk (Antam; ASX - ATM; IDX - ANTM) is pleased to announce that it successfully receives two awards in the prestigious Indonesia Sustainability Reporting Award (ISRA) 2011, which was held at the Ballroom of Hotel Mulia, Jakarta on December 21, 2011. Antam received Best Sustainability Reporting on Website 2011 and Runner Up-2 Best Sustainability Reporting 2010 in the "Natural Resources" Category.

Antam's Operations Director, Winardi, said,

"The awards reflects the recognition of Antam's CSR and Environment achievements, which are compiled in accordance with the international sustainability standards. We constantly strive to fully implement CSR and environmental management programs and to report our performance as part of our commitment to corporate transparency and accountability."

The annual ISRA ceremony is organized by NCSR, the Indonesia-Netherlands Association (INA), the American Chamber of Commerce (AMCHAM), with the support of the Ministry of Environment of the Republic of Indonesia, the Royal Netherlands Embassy, the National Committee of Governance Policy (KNKG), the Association of Indonesian Management Accountants (IAMI), the Forum for Corporate Governance in Indonesia (FCGI), and the Association of Indonesian Public Listed Companies (AEI). The evaluation criteria used in the 2011 ISRA referred to the GRI's Sustainability Reporting Guidelines.

The judging was carried out by a board of judges representing a number of stakeholders, such as IAMI, the Indonesia Stock Exchange, a number of universities, KNKG, mass media, and non-governmental organisations.
