ANTAM REMAINS ON 2014 SRI KEHATI INDEX

For Immediate Release

Jakarta, November 10, 2014 - PT ANTAM (Persero) Tbk (ASX - ATM; IDX - ANTM; ANTAM) is pleased to announce that the company has been re-listed in the Sustainable and Responsible Investment Biodiversity Index (SRI KEHATI) for the period from November 2014 to April 2015.

The inclusion of ANTAM in the SRI KEHATI Index reflects that the company pays the utmost care to running its business in relation to environmental concerns, business managements, community involvements, human resources, human rights, business behaviours and ways of operation with internationally accepted business ethics.

ANTAM has been listed in the SRI KEHATI Index since the index was first launched by the Indonesian Biodiversity Foundation (KEHATI) and the Indonesia Stock Exchange on June 8, 2009.

Since its inception on January 12, 2009, KEHATI, which was founded as a collaboration effort between the U.S., Japan and Indonesia, focuses on mobilizing and managing resources to be channelled to other parties in the form of grant, facilitation, consultation and other assistance to support various programs of biodiversity conservation in Indonesia and their utilization in a fair and sustainable manner.
