Committed to Product Innovation, ANTAM Introduces Eid Al-Fitr Gold Product 2024/1445 H

Jakarta, March 9, 2024 – PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM), member of PT Mineral Industri Indonesia (Persero) (MIND ID) – the State-Owned Enterprise of Mining Industry, through its Precious Metal Processing and Refinery Business Unit has continued its commitment to product innovation and meeting customer demand by introducing a new thematic Gold Product for Eid Al-Fitr. “*Gempita Hari Raya*” (Celebration of Eid) is the theme of this year’s Eid Al-Fitr gold product, which is present to enhance the warmth of Eid Al-Fitr. This Eid Al-Fitr thematic product is also designed as a perfect gift option for families and relatives.

ANTAM’s Director of Operations and Production, Hartono said:

“The presence of the thematic Eid Al-Fitr gold product for the year 2024/1445 Hijri is ANTAM’S commitment to strengthening the Company’s position as a top-of-mind brand that provides good-quality gold products with high standards and investment added value for the customers. The Eid Al-Fitr thematic gold product can also be a special part of the warmth of Eid Al-Fitr Celebrations in Indonesia. We hope that the presence of these products will be well received by the public and support the Company’s sales target.”

Eid Al-Fitr thematic gold product of 2024/1445 Hijri is available in gold bar of 5 grams, and gift series of 0.5 grams and 1 gram. The packaging design of these products creates a unique and special product by combining traditional aesthetics and modern functionality. Eid Al-Fitr thematic gold product of 2024/1445 Hijri is also equipped with security and aesthetic features, including Microtext, QR code, Rainbow Effect, dan 3D Effect on the gold surface.

Microtext is a special code in very small size with high accuracy, making it difficult to counterfeit. The Rainbow Effect adds a special touch of color to gold bars when exposed to light reflection. QR Code Makes it easier for customers to get more information about our precious metals product and various information about other ANTAM Precious Metals Processing and Refinery Business Unit. Meanwhile, the Gift Series has Invisible Ink and QR Code as security features.
